

MEMBERSHIP APPLICATION:

The Towaco Civic Association needs your membership and moral support!

The TCA was formed in March 2006 as a nonprofit civic organization. It is growing fast and membership is approaching 700.

The TCA stands for community pride, one voice and factual communication to benefit the Towaco neighborhood.

One of the TCA goals is to provide Towaco residents with notice of events that affect our lives and property and to keep you informed of Montville Township matters.

Remember: With membership growth your voice and the voice of the TCA become stronger. Join today and learn more about what's going on in Towaco!

For more information on the TCA, please call Christina Renfer at 973-394-1100, or Nils Strandkov at 973-335-0218. Please send the attached membership application along with a check in the amount of \$20 made payable to:
